

The European Transmission Parts Warehouse

Choice Tech
2017 Automatic Transmission
Technical Seminar

Automatic Choice invites you to join us at our next Choice Tech seminar to be held at the Holiday Inn hotel, Filton, Bristol, U.K. on the 19th and 20th of May 2017.

subjects will be:

Friday 19th May 2pm - 5pm

We will once again be holding our Friday afternoon “Hands on” and “Technical” sessions, come and see the latest developments in the industry plus:

- ZF, 8 and 9 speed transmissions.
- LUK, the latest updates on dual clutch transmission technology.
- Cottingham Engineering, test equipment and tools.
- Launch UK, find out the latest advances in diagnostic equipment.
- Mackie Transmissions, test equipment.

Saturday 20th May 9am - 5pm, Seminars

ZF

Will be presenting a 1 hour 30minute session covering their 8 and 9 speed transmission units

Wayne Colonna - ATSG

Will be presenting a 1 hour 30minute session on BUS communications and diagnostics.

He will also be presenting two separate 1 hour 30minute update sessions covering many of the current crop of transmission systems.

Hyundai 8 speed FWD and RWD, Mercedes 9G-Tronic, 722.9, Toyota A760E/ AB60 and U660E to name but a few.

! Please Note, if you wish to book a room, or rooms for the Automatic Choice Seminar, please ring the hotel without delay, booking information and details are on the registration form!
